offers in collaboration with Girl Scouts of Hoosier Capital**

Nursing Try-it (Brownies)

With help from Michigan Nurses Association website (www.minurses.org) and Nurse Leader magazine

4 activities are required to earn this try-it.

- 1) Learn about the founder of nursing. Florence Nightingale.
- 2) Find out what nurses do and why they like what they do.
- 3) Nurses specialize in caring for people. Demonstrate a caring behavior at home or school for a week. Report what you did to your troop.
- 4) Use some of the equipment that nurses use, such as a stethoscope, blood pressure cuff, thermometer or an ace bandage.
- 5) Make a list of the places where nurses can work
- 6) Visit a place where nurses work, such as a hospital, clinic or surgery center to learn what a nurse does for his/her patients.
