

**Girl Scouts of the Calumet Council
offers in collaboration with Girl Scouts of Hoosier Capital**

Nursing Badge (Juniors)

With help from Michigan Nurses Association website (www.minurses.org) and Nurse Leader magazine.

6 activities are required to earn this badge.

- 1) Learn about the history of nursing.
- 2) Learn about the founder of nursing, Florence Nightingale.
- 3) Talk to a nursing student to find out the requirements for becoming a nurse.
- 4) Find out what nurses do and why they like what they do.
- 5) Demonstrate how to use a stethoscope, blood pressure cuff, thermometer, ace bandage or dressing.
- 6) Demonstrate how to take a pulse
- 7) Visit a hospital, clinic, Surgery center, or other area where nurses work. Learn what a nurse does for his/her patients.
- 8) Describe what it means to care for someone. Demonstrate a caring behavior at home or school for a week. Report what you did to your troop.
- 9) Take a Cardiopulmonary Resuscitation class.
- 10) Volunteer at a health fair, health career fair, or "Nurses Celebration Saturday" Career Fair through Nursing 2000.
- 11) Use a computer to learn about nursing. Go to www.discovernursing.com, www.nсна.org, or www.nursing2000inc.org.
